Oregon State Snowmobile Association

Dennis Jordan
OSSA President

Lisa Mahoney
Executive Director

Good day everyone,

As I sit here this morning in early November, snow has already arrived in some parts of the state and is just around the corner for the rest of us. We've even had a few folks in the Bend area out riding and enjoying it already!

Looking ahead to the 2025–2026 snowmobile season, there are plenty of predictions—some saying we're in for a record-breaking winter, and others suggesting it might be a lighter snow year. Personally, I'm sticking with the first one!

A few highlights as we gear up for the season:

We're proud to welcome two new grooming cats to Oregon's fleet: a Tucker Sno-Cat in Halfway and a Pisten Bully at Lake of the Woods on the Klamath trail system. Both were purchased with Recreational Trails Program (RTP) funding, which means OSSA only paid 20% of the cost while the remaining 80% came from the federal gas tax grant. This partnership helps keep our amazing volunteer groomers equipped with safe, modern, and reliable machines.

Next, I want to remind everyone about the 2026 State Snowmobile Convention, which will be held at Lake of the Woods and the Running Y Resort just outside Klamath Falls. This year's event is jointly hosted by the Klamath Basin Snow Drifters and Chiloquin Ridge Riders—and I can tell you firsthand, they've put together an incredible program! Highlights include Levi LaVallee as our keynote speaker and Luke Youngburg, a professional snowmobile athlete from right here in Oregon. Both will also be leading rides during the week. If you attended the convention four years ago at Lake of the Woods, you'll remember the bar was set high—but these two clubs may have just raised it even higher.

As many of you know, our grooming program faced significant funding cuts last year. Naturally, that raised questions about whether we could accept donations to help offset grooming costs. After working with legislators and attorneys over the spring and summer, I'm pleased to share that we now can. We've created a donation option within our membership sign-up system. This new program is still being fine-tuned, but one thing is certain: your donations will go directly to support the grooming program.

In closing, I want to thank the OSSA Board for their continued hard work and dedication to keeping our clubs strong and our volunteer grooming program one of the best in the nation. A special thank-you as well to our executive staff— Lisa M, Lisa B, and Amber—for their efforts in keeping our members informed and supported every day.

Wishing you and your families a safe and joyful holiday season, a Happy Thanksgiving, and a Merry Christmas. I look forward to seeing many of you out on the snow this winter—please ride safely and enjoy every moment.

Dennis Jordan

For the individual whose leadership, volunteerism, and enthusiasm exemplify the very best of what it means to be an OSSA member.

Youth snowmobiler of the year

<https://oregonstatesnowmobileassociation.sharefile.com/share/view/s010e03c899de48b3a67d32ae2e244e36>

• YOUTH SNOWMOBILER OF THE YEAR

Youth Snowmobiler of the Year
Nomination Form

Honoring the next generation — young riders who show promise, responsibility, and a commitment to the future of snowmobiling.

Every winter, when the snow blankets our trails and the engines hum across Oregon's breathtaking backcountry, there's an unseen force that keeps the magic alive — our people.

The Oregon State Snowmobile Association (OSSA) is proud to announce the call for nominations for the 2026 OSSA Awards — a celebration of the volunteers, families, clubs, and businesses who go above and beyond to keep our trails groomed, our youth inspired, and our snowmobiling community thriving.

These awards are more than recognition. They are stories of passion, generations of dedication, and thousands of hours given freely to protect, preserve, and grow the sport we all love.

♥ Why Nominate?

- Behind every smooth trail is a groomer operator who rises before dawn, braving bitter temperatures to ensure a safe and enjoyable ride. — often without thanks or recognition.
- Behind every vibrant snowmobile club is a team of individuals who fundraise, educate, and advocate for access and safety.
- Behind every young snowmobiler is a mentor — a parent, a dealer, a club leader — who lit that first spark of passion. Today's youth riders are tomorrow's leaders. Let's recognize those who are already showing what it means to ride with pride, purpose, and respect.
- Behind every dealer is a person who doesn't just sell snowmobiles — they build relationships, donate time and resources, and act as year-round champions for the snowmobile community.
- Behind every family is generations who chooses to live and give back to this sport — together. Celebrate the families who live and breathe that legacy together.
- Behind every snowmobiler is a person who people show up to every trail cleanup, every fundraiser, and every club meeting — not for recognition, but because they care. Now's your chance to give back.

These are the people who shape the future of snowmobiling in Oregon.

But too often, their work goes unrecognized. The OSSA Awards are your chance to **shine a light** on their dedication and say *thank you* in a way that echoes across the trails for years to come.

🔑 2026 OSSA Award Categories:

- **Groomer Operator of the Year**
Honoring those who keep our trails pristine and our riders safe through tireless dedication to grooming efforts.
Why Nominate? Because behind every smooth trail is groomer operator who rises before dawn, braving bitter temperatures to ensure a safe and enjoyable ride — often without thanks or recognition.
- **Snowmobile Club of the Year**
Celebrating the clubs that foster community, education, and a love of riding across generations.
Why Nominate? Behind every vibrant snowmobile club is a team of individuals who fundraise, educate, and advocate for access and safety.
- **Snowmobile Dealer of the Year**
Recognizing dealers who go beyond sales — who serve as stewards of the sport, educators, and supporters of OSSA values.
Why Nominate? Great dealers don't just sell snowmobiles — they build relationships, donate time and resources, and act as year-round champions for the snowmobile community.
- **Snowmobile Family of the Year**
Spotlighting families whose shared passion uplifts their community and reflects the heart of snowmobiling in Oregon.
Why Nominate? Because snowmobiling isn't just a sport — it's a way of life passed down through generations. Celebrate the families who live and breathe that legacy together.
- **Snowmobiler of the Year**
For the individual whose leadership, volunteerism, and enthusiasm exemplify the very best of what it means to be an OSSA member.
Why Nominate? Some people show up to every trail cleanup, every fundraiser, and every club meeting — not for recognition, but because they care. Now's your chance to give back.
- **Youth Snowmobiler of the Year**
Honoring the next generation — young riders who show promise, responsibility, and a commitment to the future of snowmobiling.
Why Nominate? Today's youth riders are tomorrow's leaders. Let's recognize those who are already showing what it means to ride with pride, purpose, and respect.

Arctic Cat Adds Experience, Enthusiasm to CFO Role

(THIEF RIVER FALLS, MN November 5, 2025) – Adding to its team of experienced powersports veterans, Arctic Cat announces Tony Henningson as its new Chief Financial Officer.

With over 30 years of professional experience, Henningson not only brings a strong financial background, but 17 of those years have been within the powersports and marine markets, serving key roles previously at Polaris, Genmar and KTM.

“As a Minnesota native and lifelong snowmobile and powersports enthusiast, I am truly honored and thrilled to play a part in the resurgence of this iconic brand and company,” Henningson said. “Leveraging the unparalleled legacy and passion of the brand and being the best partner we can be to our dealers, suppliers, and consumers is the key to moving Arctic Cat into the driver’s seat within the powersports segment.”

“Tony brings a wealth of valuable experience from multiple segments including powersports, banking, manufacturing, and more,” said Arctic Cat President and CEO, Brad Darling. “His broad base of knowledge combined with his rider-driven enthusiasm for powersports makes him a solid fit and a valuable asset to our team.”

Since purchased by the current ownership team back in April, Arctic Cat has added impressive talent in various aspects of the business with a sharp focus on finding people who bring knowledge, interest and passion for powersports, fulfilling its “Riders First” promise.

About Arctic Cat Arctic Cat has been a leader in the offroad industry since 1962. Arctic Cat markets its Snowmobile, ATV and SXS products through a network of independent dealers located throughout the United States and Canada and through distributors representing dealers in Europe, South America, the Middle East, Asia and other international markets.

OSSA Membership

Become a general member online today at <http://oregonsnow.org/about/> Please also consider joining your local club to further help support our sport. (This is only for OSSA membership. Most club memberships automatically include a membership in OSSA. Be sure to check with your local club. Many of our members have memberships in several clubs. If you are a member of multiple clubs you would only pay OSSA dues one time.)

Use the online form at <http://oregonsnow.org/about/> to join OSSA only.

If you wish to join a local club, please contact your local club directly. Local club membership automatically includes a membership in OSSA. Thank you for your support!

Note: Many powersports dealers give discounts to OSSA Club members.

Some attributes of club membership include :

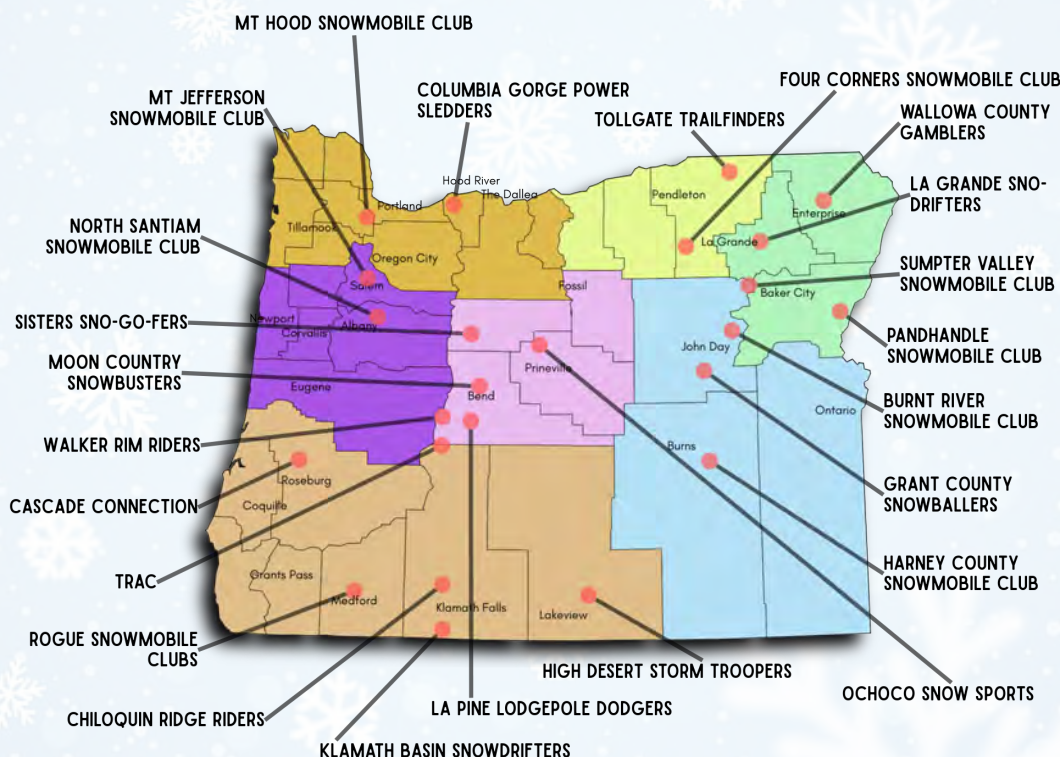

- * Cooperative enjoyment in club activities, rides and play days.
- * Assistance through club membership in formalizing legislation for snowmobiles.
- * Learning new areas to ride and familiarity with areas through joint rides.
- * Strength in state organization through local club organization and input.
- * Opportunity to gain knowledge of snowmobiling through club meeting speakers.
- * Obtaining a feeling of "Belonging" a common bond experience.
- * Meet new people and make new friends.
- * Promote and understand safe snowmobiling.
- * To protect and preserve the rights and freedoms to enjoy the sport of snowmobiling.
- * To help preserve and promote our natural resources.
- * Assist in search and rescue missions.
- * The ability to enjoy snowmobiling activities as a family and at a price reasonable for doing so.
- * Helping provide a trail groomer.
- * Helping to discourage bad snowmobiling practices.
- * Assistance in formulating and conducting youth driver education clinics.
- * Promote sanitation and non-littering in all areas used for snowmobiling.
- * Serve as a catalyst in service to state and federal agencies in providing new snowmobiling trails and parking facilities.
- * Club membership brings recognition to the member from both state and federal agencies and prestige in that recognition.

Our Volunteers spend hundreds of hours taking care of and grooming snowmobile trails.

A ski lift ticket for one person for one day is \$100 or more.
Say "Thank you" to our volunteers by joining your local club today.

It's only \$60 per year or less for your entire family. <https://oregonsnow.org/clubs/>

OSSA's New Pisten Bully
PB100 groomer at Lake
of the Woods on the
Klamath trail system.

Three Prinoth Husky Snow Groomers Join Oregon Search and Rescue Teams

In October 2025, three new Prinoth Husky snow groomers with transport cabins were delivered to Oregon's search and rescue teams, serving the Hood River County Sheriff's Office, Umatilla County Sheriff's Office, and Klamath County Sheriff's Office.

These versatile, all-season machines are built to perform in the toughest winter conditions. Each Husky is equipped with all-terrain tracks engineered for snow, mud, and rocky ground, and painted bright orange for maximum visibility in poor weather. With a powerful front blade for clearing deep snow and climate-controlled transport cabins, the groomers can safely carry rescue personnel, equipment, and evacuees through terrain where standard vehicles can't operate.

From mountain passes to remote rural regions, these new Husky groomers will play a vital role in life-saving missions during severe storms and winter emergencies. Their reliability, agility, and comfort make them an essential asset for keeping Oregon communities safe when conditions are at their worst.

Prinoth is proud to support the dedicated search and rescue teams who brave the elements to save lives – because when every minute matters, performance and dependability make all the difference.

Focus on Features: **DIFFERENTIAL COVER**

Dana 80 differentials are a popular choice among many of our Groomer and Utility Model 2000 (2–5 passenger) Tucker Sno-Cat® vehicles. A great upgrade for these axles is the addition of Mag-Hytec aluminum differential covers.

These premium covers feature an integrated dipstick and O-ring for easy assembly and maintenance, while also increasing oil capacity. The precision-engineered aluminum fins provide superior heat dissipation—an especially valuable benefit for over-snow vehicle applications where cooling performance is critical.

Service Department Notes: **SPROCKET & WHEEL LINERS**

Regular inspection of your sprocket liners and wheel liners is an important part of maintaining your Tucker Sno-Cat® vehicle. These components take on constant stress in demanding snow conditions, so it's essential to check them often for cracks, wear, or other damage. Damaged or worn liners can lead to improper track alignment, premature wear on other components, and reduced traction or performance in the field. During your routine maintenance, look closely for visible cracks, missing material, or uneven wear patterns. Replace any liners that show damage before it leads to larger issues.

A quick inspection today can help ensure your Sno-Cat® vehicle continues to operate smoothly, efficiently, and reliably all winter long. Regular preventive maintenance is key to keeping your machine performing at its best—no matter how deep the snow gets.

Trail Conditions/Grooming Reports

check avalanche
conditions before
you ride!

<https://www.oregonsnow.org/avalanche-safety/>

The Oregon State Snowmobile Association provides snowmobile trail grooming in the state of Oregon with a 100% volunteer effort. Our volunteers are out on the snow almost every day grooming the trails to provide a safe and enjoyable experience for snowmobilers, snow shoeing, cross country skiing and other recreationalists.

A typical volunteer grooming day begins with arriving at the grooming shelter before sunrise to get the equipment ready for the day. Not only do our volunteers groom the trails but we also remove fallen trees and obstacles from trails. In addition we provide search and rescue assistance in emergencies. It's not uncommon for our volunteers to put in a 10 or 12 hour day grooming. It takes many many hours of training to become a primary groomer. Our groomers are trained in first aid, CPR, and equipment safety and maintenance.

Be sure to show your appreciation by joining OSSA and your local snowmobile club today!

A Day in the Life of a Volunteer Groomer

Did you know that OSSA has 24 clubs in Oregon and that all 24 clubs volunteer to groom the snowmobile trails?

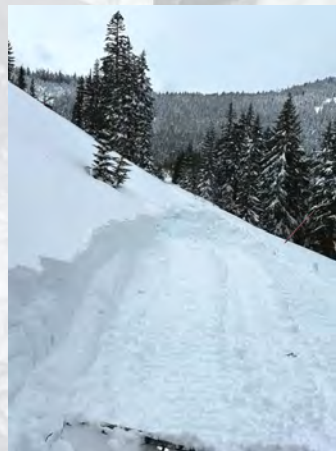

Typical Grooming Day:

- 5:00 am** Wake up.
- 6:00 am** Drive 90 minutes up to the mountain.
- 7:30 am** Prepare the Grooming Machine for the day.
- 8:00 am** Begin Grooming the trails.
- 8am to 6pm** Groom the trails, remove fallen trees, remove moguls, make roads through snow drifts.
- 6:00 pm** After grooming 50 to 60 miles return to Groomer Barn and begin refueling and cleaning the Groomer.
- 7:00 pm** Head for home.
- 8:30 pm** Arrive home and crash.

Did you know that the best way to ***"THANK YOU"*** to a groomer volunteer is to renew your membership every year?

Many OSSA members join every club in every area that they ride just to say, ***"THANK YOU!"***

Oh yeah, if you see a Groomer Volunteer be sure to shake their hand and say ***"THANKS"***.

Snowmobile Safety Class Saturday November 22nd 9:30-11am at SK Northwest 250 SE Division Place, Portland Oregon. We can certify your young person to legally drive a snowmobile. The class is free and new adult riders are welcome to attend. The adult who will be riding with the student is required to attend. Contact TReilly@Oregonsnow.org to register.

YOUTH OPERATORS NEED SAFETY TRAINING

**KEEP THEM SAFE.
GET THEM TRAINED.**

This message brought to you by the American Council of Snowmobile Associations
www.snowmobilers.org

Are you New to snowmobiling ?

Do you want to learn how to ride Safely ?

Do you want your kids under age 16 to be able to ride Legally ?

Oregon Snowmobile Law says:

ORS 821.150 drivers license or permit required. Class D Fine up to \$250

We can CERTIFY kids 16 and under without a driver's license.

The OSSA Safety Program

Below is a list of current state approved snowmobile safety trainers.

Please contact your local trainer to get your kids 16 or younger without a drivers license trained and obtain their snowmobile safety certificate now.

Why should I register my snowmobile?

Did you know that registering your snowmobile helps fund the groomed snowmobile trails in Oregon?

The Oregon State Snowmobile Association (OSSA) receives money from the Oregon Department of Transportation (ODOT). The money comes from the state gas tax, snowmobile registration fees and snowmobile title fees. It is put into a fund managed by ODOT. OSSA has a contract with ODOT to facilitate trail maintenance which includes grooming the many miles of snowmobile trails in the state of Oregon. The percentage is based solely off of how many snowmobiles are registered in the state of Oregon. The more snowmobiles that are registered the more money OSSA gets to groom the trails. So, if you enjoy riding your snowmobile on the many miles of groomed trails in the state of Oregon. Please register all of your snowmobiles, whether they run or not.

Registration for a snowmobile is only \$5 per year for 2 years.

A fine for no registration is \$115.

** Please register your snowmobile and help keep our snowmobile trails groomed for everyone to enjoy.*

Thank you

T.J. Reilly, OSSA Vice President

Groomed vs Ungroomed

The International Snowmobile Manufacturers Association (ISMA)

We are an organization representing the four snowmobile manufacturers. We coordinate committees within the industry to handle concerns such as snowmobile safety, the promotion of the lifestyle activity of snowmobiling, keeping accurate statistics, reporting the growth of the industry and the positive economic impact snowmobiling has throughout the world.

snowmobile.org/index.html

These are great events to sign up new club members, build relationships with the local snowmobile dealer and taking new people out on rides to experience all the fun of snowmobiling.

On October 25, 2025 **ISMA (International Snowmobile Manufacturers Association)** put on their International Snowmobile Day. Sister's Moto in Sisters Oregon had their annual anniversary event that weekend with approximately 20 vendors attend. The Sister's Sno-Go-Fer's Snowmobile Club set up a booth to bring awareness to the community and visiting vendors. Please find attached several pictures of their booth and they also had a kids moto race. The DJ there was also doing radio ads for each vendor.

Sister's Sno-Go-Fers Radio ad for the Sister's Moto 5th Anniversary Event.

Winter is here and the trails are calling! The Sisters Sno-Go-Fers crew will be out grooming the high country so you can ride, ski and explore on smoother than ever trails. Those perfect trails don't happen by magic, they happen thanks to the dedicated volunteers and your support. Join the Sister's Sno-Go-Fers and (OSSA) Oregon State Snowmobile Association today and help keep our winter trails open and beautifully groomed for everyone to enjoy.

The Mt. Hood Snowmobile Club has been hard at work getting ready for another great season on the mountain! A huge thank-you to all our members who volunteered their time at recent work parties — your help makes all the difference.

The snow has already started to fly, and those early dustings have made us excited for what's ahead. Thanks to our awesome members, both Skyline Snow Park and the Warm Springs Shelter are stocked with wood and ready to go. We truly appreciate everyone who donated, split, hauled, and stacked wood — many hands make light work!

This fall, our crews replaced all the roof screws on the Skyline shelter, sealed and replaced the chimney, and got it buttoned up for the season. Over at Warm Springs, we made repairs to the outhouse and resealed it for winter as well.

A quick note — the shelter keys have been changed. If you've renewed your membership or just joined, please stop by our next monthly meeting to pick up your new key. We'll also have laminated Sno-Park permits available.

If you'd like to get more involved, we're currently looking for a Board Member and a Club Secretary — reach out to Robert or Tyler if interested. And don't forget to follow us on Facebook and Instagram to stay up to date on everything happening this season.

We're looking forward to seeing everyone at one — or all — of these events. Thank you again to everyone who has joined or renewed their membership.

Let's make it another great season on Mt. Hood!

VP-Tyler Shackelford

www.MtHoodSnowmobileClub.org

Current and prospective MHSC members,

A quick note to keep the membership informed of several upcoming events this coming week. I would like to thank all those who have joined the club so far this year. None of this happens without joining and supporting the club through your membership and volunteering to maintain trails, and supporting the events.

This weekend, there will be a kids (anyone without a driver's license) safety class hosted by **SK Northwest** and a trail maintenance work party up on the Mountain at 4890 from Bonney Meadows trail junction down to the 4890 junction. Please bring a lunch and saws, see you on the Mountain.

Upcoming Events:

November 22nd at 9:30 am—9:30am to 11am Kids Safety Class @ SK Northwest.

—Trail Maintenance at 4890 Junction of Bonney Meadows down to Junction of 4890 at 9 am.

December 2nd, 2025 @ 6pm

—MHSC Xmas Party@ Old Spaghetti Factory with gift exchange.

December 6th, 2025 @ 9:00 am

— MHSC Install Trail Signs and work party at Skyline Snowpark. We will meet at the Catshed at 9am.

December 7th, 2025, @ 12:00 noon to 1:00 pm—Pray for Snow

— BBQ at Skyline Snowpark, The club will provide hot dogs, burgers, and chili, guests please bring a side dish to share.

December 19, 2025, @ 6:30 pm Lighted Christmas Ships viewing on the Willamette River Hosted by SK Northwest, Portland.

January 28-31 2026, OSSA Convention in Klamath Falls.

— Guided rides, Food and Fun!

January 31st and February 1st, — Cascade Dog Sled will have their race at Frog Lake.

www.MtHoodSnowmobileClub.org

Oregon State Snowmobile Association and Mt. Hood Snowmobile Club are working hard to keep snowmobiling alive and thriving in Oregon!

Together, they:

- Maintain and groom trails – Ensuring safe, smooth, and accessible routes all winter long.
- Advocate for rider access – Fighting to keep public lands open for snowmobiling by working with state and federal agencies.
- Protect riding areas – Preserving the future of our sport through responsible land use and environmental stewardship.
- Organize events and community rides – Bringing riders together to build a stronger snowmobile community.

Whether you're riding Mt. Hood or exploring trails statewide, your support matters!

- Join your local club
- Support the clubs where you ride
- Be part of the effort to protect and grow snowmobiling in Oregon by Learning more or get involved through @oregonsnow72 and your local snowmobile club! <https://www.oregonsnow.org/mt-hood-snowmobile-club/>

Volunteer hours and miles Are Vital to OSSA

• What is a snowmobile club volunteer ?

By Lisa Mahoney, OSSA Executive Director

A snowmobile club volunteer is a special person who dedicates their time, energy, and sometimes money to benefit not only their snowmobile club but others. This person is involved, helpful, charitable, selfless and always humble. Much of the time, the public has no idea what our volunteers do. So, let us share just a few things that they do.

They voluntarily maintain over 6,551 miles of multi-use trail each year. These trails benefit not only snowmobilers but cross-country skiers, snow bikers, snow-shoers, and dog sledders. In the spring and fall, volunteers are busy cleaning trails and putting up trail markers to get ready for the next season. They cut wood and fill the shelters for all to use. They build bridges, shelters, re-roof existing grooming sheds, and do their own maintenance on their sno-cats. They voluntarily teach snowmobile safety classes and avalanche safety classes. They donate to charitable organizations such as Candlelighters, Wounded Warriors, Hospice, and Meals on Wheels just to name a few.

Our volunteers are the backbone of our organization. We could go on and on about all that they do. So, we want to humbly thank each and every one of you for your hard work and dedication to our wonderful organization.

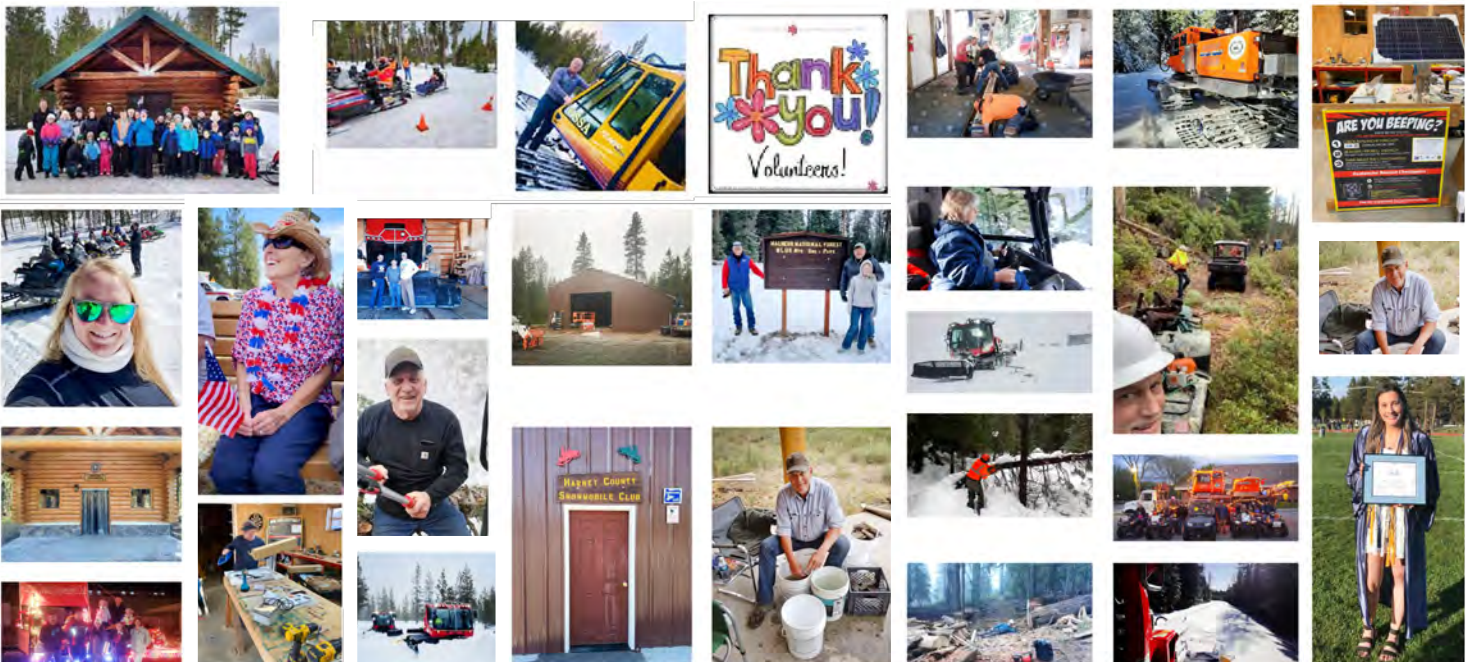

Volunteer hours/miles = \$\$\$\$. More \$\$\$\$ = the more we can provide for snowmobiling!

[CLICK HERE FOR VOLUNTEER FORM](#)

Use this form to track your volunteer hours and miles. Please turn in the form monthly.

You can mail to OSSA, PO Box 6255, Bend, OR 97708; email to lmahoney@oregonsnow.org; or fax to (458) 202-1193.

Our first meeting had a great turnout of 32 people. Most we've ever had for our 1st meeting that I've seen. We sponsored a lunch at the Community Center in Baker City on Oct. 21st and had 8 members attend. It was a great meal. You all should try it sometime. At our November meeting it will be our Thanksgiving celebration. Will be having turkey and ham and all the fixings. Hope we have as great of a turnout as our October meeting.

SPECIAL EVENTS

More good news from Arctic Cat:

We've added more high-quality powersports veterans to key positions within our salesteam. We're also actively signing new dealerships while shoring up our existing dealer base. Bottom line: Arctic Cat is proudly accelerating into the future!

Arctic Cat Is Accelerating with New Additions

(THIEF RIVER FALLS, MN November 11, 2025) – Boldly charging into the future with renewed energy, Arctic Cat's shared mission of building a company of riders for riders has the throttle to the bars.

Key areas of focus have been within the sales and customer service teams. With recent additions adding to an already strong core, our veteran sales team now has a combined 300-plus years of professional powersports industry experience.

Recent additions include district sales manager **Brock Fischer** covering Texas and Oklahoma; **Tracy Burkhardt** covering Minnesota, North and South Dakota; **Tim Miller** covering Pennsylvania, New York, New Jersey and Connecticut; **Kelly Rees** covering Kentucky, Virginia, West Virginia and the District of Columbia; and **Mark Mackin** covering New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland/Labrador.

Arctic Cat District Sales Managers are in the field every day—supporting their existing dealers, signing new partners, and providing hands-on support to the network in their local markets. Their work is a direct driver of Arctic Cat's growth and a reflection of our commitment to strong, long-term dealer relationships. The addition of recent team members only enhances an already impressive team that, combined, has professional experience at more than 20 OEMs, aftermarket companies, distributors, and dealerships. Regional Sales Directors Eric Bondy, Derek Jordahl and Kevin Asselin are nearing the end of their search to cap off this impressive team of dealer partners.

Arctic Cat is actively recruiting and signing high-quality dealerships with a focus and promise to never oversaturate a market, offering dealers the opportunity to grow their businesses. Since the new ownership group received the keys back in April, there has been a rally cry from dealers who are ready to support a brand that believes in their products, employees and their future of offering premium products to their consumers. This support has so far increased new Arctic Cat's dealer interest two-fold with goals to continue at a measured pace, placing Arctic Cat products and quality dealer service closer to consumers who live to ride.

Commenting on Arctic Cat's approach for dealer relations, Brad Darling, President and CEO, states, "We are a company of riders who work to understand and anticipate our dealer's needs, and those of their customers. We are a committed partner that provides the best products and support, ensuring Arctic Cat is a successful addition to their business."

Based on the feedback and energy coming from the fall snowmobile and offroad shows, current Arctic Cat dealers have overwhelmingly expressed that Arctic Cat riders are raising their flags to let everyone know, "Riders Rule."

About Arctic Cat Arctic Cat has been a leader in the offroad industry since 1962. Arctic Cat markets its Snowmobile, ATV and SXS products through a network of independent dealers located throughout the United States and Canada and through distributors representing dealers in Europe, South America, the Middle East, Asia and other international markets.

PRE-SEASON MAINTENANCE!!! ❄️❄️...

Hello all,

Grooming trails in the area is one of the major tasks The Klamath Basin Snowdrifters (KBSD) accomplishes during the winter season. We keep the trails safe and passable for snowmobilers and other authorized users. Joining the club is a great way to support this effort. You don't have to be a snowmobiler to join, in fact, a decent percentage of our members are not.

You may be saying, "I don't want to join the club, but I sure do like riding, skiing, hiking or mushing down those nice trails", and wondering other ways to help? Glad you asked, we always need volunteers to help with trail maintenance and as always money is always in short supply. The **Oregon State Snowmobile Association** has set up a grooming fund and it is live now.

KBSD is now accepting donations to help support trail grooming and maintenance for the upcoming season. Your contributions go directly toward keeping our trails smooth, safe, and enjoyable for everyone.

Donate here by right clicking on the highlighted text and opening in another window:

<https://oregonsnowmobileassociation.growthzoneapp.com/ap/contribute/2rOVq1Lx>

KLAMATH BASIN

SNOWDRIFTERS

www.kbsnowdrifters.org

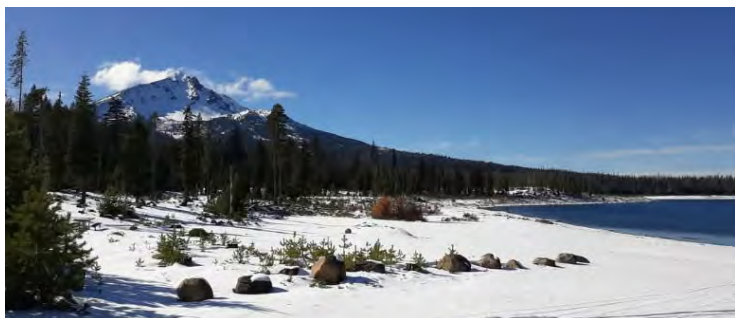

You can also scan the QR code below to donate easily from your phone.

Thank you for helping support our grooming efforts and the volunteers who make our trails possible!

In summary:

- Donations made through your club's link go directly into your club's dedicated grooming account.
- OSSA does not distribute these funds to other clubs.
- ODOT contract funds are used first; any unused donations roll over to the next year.
- Funds are held for your club and released when needed for grooming purposes.

We had a good group of folks show up to help on the PB100 first maintenance. Thanks to PB Matt, we learned a bunch of new things about the cat and feel confident that we will sail through maintenance in the future! Thanks to Bill R, Mike, Larry, and of course, President Dennis for stepping in and getting it done! Chris and George also stopped by for a bit of indoctrination, but had previous commitments, so they could not stay.

Dan's burgers were a hit, but we forgot there was a pot of Danks Beans on a different bench and they mostly came home with me. Mike and Larry helped diminish the load after we cut and split a tree at Fourmile to put in the snow shelter. Great day to be out and about. And Dan's Beans on fresh cornbread for dinner... yummy 😊

Dan Riblett ·

What an awesome day to be out gathering firewood for the Snow Shelters!

We had 13 folks show up at the Cat Shed, that's like a world record! Half loaded a trailer of wood and headed to Big Meadow Shelter, the rest of us watched Clif saw up another couple of cords of wood and then split it and loaded it into his truck to head to Brown Mountain Shelter. Many hands do make light work!

Thanks to Mike R, Gregg and Vivian, Grant, Pappy, and Dallas for their work at the Big Meadow. Thanks to Clif, Caemen, Bill, Paul, Caleb, Neil, Kevin, and Dan for heading to the Brown Mountain shelter. It was a GREAT day!

🔥 Chili Feed Recap - Saturday Fun! 🔥

What an awesome time we had at this year's Chili Feed! 🎉 Thanks to everyone who came out and made it a great event. We had a total of 21 adults and 4 kids joining in the chili goodness, with 5 pots of delicious chili brought to the table! 🍲

A big shoutout to our Chili Cook-Off Winners!

- 🥇 1st Place: Mike O'Rourke
- 🥈 2nd Place: Darin Larvik
- 🥉 3rd Place: Amber Schlegel

The White Elephant Gift Exchange was a hit!

📺 So many great gifts, laughs, and a few surprises along the way.

Just a quick reminder: There will be no meeting in December, but we'll see everyone back on January 8th. Mark your calendars! 📅

Thanks again to everyone who joined us — and to all who helped make it a fantastic event. See you in the new year! 🎉

Did you know?

The La Grande Sno-Drifters groom over 440 miles of snowmobile trails each winter — covering three amazing areas: Mt. Emily, Ladd Canyon, and Catherine Creek! 📍

Our groomer is trucked into each location, and every mile is maintained through the hard work of our volunteers. 🙌

This season, we're accepting donations to help cover grooming expenses and make up the difference in our reduced budget. Every bit helps keep our trails smooth and ready to ride!

👉 You can donate here:

November 15 at 8:27 PM · 🌐

After diving into Buffalo Meadow last Tuesday, we quickly realized we were gunna need more than man power to clear our way in. So that's just what we did. With the Help of 11 club volunteers, Jacob, Dan, Clayton, Jim, Grant, David, Gregg, Vivian, Heather, Guy and Excavator Mike we were able to cut our way all the way around Buffalo meadow and back down to dry creek Via the lower road of Goosenest.

There is still area that the excavator could be used if the weather holds out. Our main priority was to get all the dead down trees off the back and below the road. Mike and his excavator made it just under a mile as the rest of us cut logs ahead of him. We figure one more day with the excavator could have things looking in tip top shape.

Special thanks to Mike for hauling his excavator up to Annie Creek and running it all day on the trail!

Many hands make light work, or one excavator does...I think thats how that saying goes?

Again, Thank you to all our volunteers for the many hours worked and miles traveled to keep our trails open and ready for the grooming to begin.

Remember, if you haven't joined the club, there isn't any better time than the present!

Thanks to everyone who helps support us.

Jacob McCarty

CRR Grooming Chairman.

THANK YOU to all the volunteers who helped cut back the brush and cut up and move the many trees across the snowmobile trail between Cold Springs and Rock Creek. The Siskiyou Mountain Club folks were AWESOME, as were Gregg, Vivian, Chris, Dan, Jim M, Larry, and of course, HEATHER! These are some pictures that Heather took on Day 2 and 3. The crew finished that area yesterday and is headed up towards Buffalo meadow today.

Please Join your local clubs and help support the efforts to keep your trails cleaned and open for use.

For the side by side folks... this trail is not a motorized trail, if you are not doing trails maintenance, you do not have a permit to be on the trail. FYI. Also, the north end of the trail before it gets to Rock Creek is not passable, there are a few marshy areas that look like a stuckfest in the waiting!

The Mission of the Wallowa Avalanche Center is to provide winter backcountry travelers with avalanche advisories, mountain weather forecasts, professional observations and avalanche safety education.

We begin avalanche forecasts in the fall after enough snow accumulates in the mountains for on-snow travel in the backcountry and continue them until early April. Typically, in early December, we begin forecasting Thursday through Sunday using the North America Danger Scale, followed by a General Avalanche Advisory on Monday. We do not issue a Danger Rating Monday through Wednesday, but we offer general advice. We also offer a variety of classroom and field-based educational programs, including instruction specifically aimed toward youth, backcountry skiers, snowmobilers, and professionals.

Oregon State Snowmobile Association OSSA Membership

We encourage everyone to join their local snowmobile club which automatically includes an Oregon State Snowmobile Association membership.

You can be a member of OSSA without joining a local club. However, please consider joining the clubs where you ride in Oregon. These clubs groom and maintain the trails that you enjoy riding on.

If you live in another state or for some other reason don't want to join a local snowmobile club you are welcome to become an OSSA only Member.

Who Can Join?

Anyone who enjoys the outdoors can be a member including cross country skiers, snow shoers, dog sledders, snow bikers and of course snowmobilers.

Why should I join?

Our mission is to protect and enhance the sport of snowmobiling. We work closely with the Forest Service and BLM to keep areas open, resolve conflicts, and to provide the quality snowmobiling that Oregon is famous for. We work with local, state, and federal legislators to protect the rights of all snowmobilers. We fight any damaging legislation, and we support legislation that helps our sport. We coordinate with industry, national and international snowmobile groups to share knowledge, provide mutual support, and protect the sport we all love so dearly.

Did you know ...

Your privilege to snowmobile is being threatened?

Do you know who's representing your snowmobile interests in Washington DC?

It's the American Council of Snowmobile Associations (ACSA).

Are you a member? Do you care about snowmobiling?

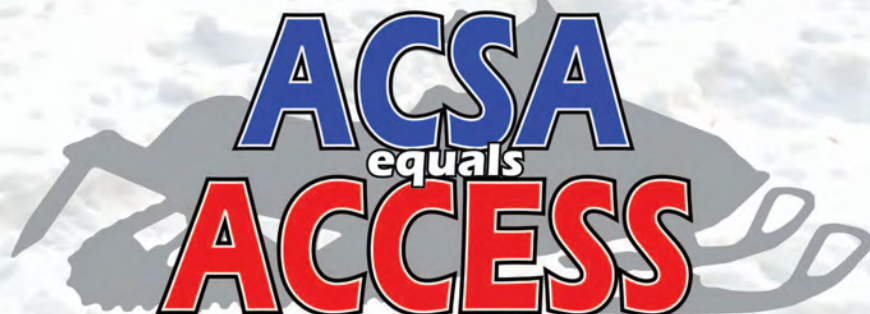

Make sure YOUR voice is heard.

**Join your local snowmobile club,
your state snowmobile association and
become a member of ACSA TODAY
for only \$15.00!**

Now's the time to get involved!

www.snowmobilers.org

American Council of Snowmobile Associations News

ACSA AWARE

A couple of years ago ACSA started 2 new programs- both focusing on getting younger riders involved.

The programs are Future Leaders and Scholarship. The Young Leaders has 2 Next Gen National Riders (NGNR) Ambassadors, Lynsey Burzinski from Wisconsin and **Corbyn Shaw from Oregon**. You may see them at upcoming events, from grass drags and snow shows to State Association Meetings and Conventions.

ACSA is very excited to work with these young adults as they grow their snowmobile leadership experience and enhance the sport of snowmobiling.

The Scholarship

is open to all snowmobilers that are paid members of their State Association, which is also a member of ACSA. The 2026 Scholarship is now open and can be found:
(click here:)

www.snowmobilers.org/acsa-scholarships.aspx

The topic of the essay is: How does snowmobiling impact your local community?

Funding for both of these programs is supported, in part, by Hannah's Chickens. Imagine, you are attending the ACSA Mountain Riding meeting in February. Everyone had a great day riding and now it is time for the ACSA Scholarship and ACSA Future Leaders Fundraiser. You walk into the room and find out that you are going to play bingo before the "Live Auction" for the items that everyone brought along for the occasion. As you pick up your bingo card you are handed a small rubber flying chicken for a "participation" prize.

The fun started -- and the fundraising was fast and passionate! Hannah's Chickens was born... Check out Hannah's Chickens shirts,

Connect with snowmobiling

Oregon State Snowmobile Association

The Oregon State Snowmobile Association is a non-profit organization formed in 1972 by a small group of snowmobilers working to find a way to provide a groomed statewide trail system and to assure continued access to our public lands. We are currently an organization with twenty-four member clubs and a trail system of 6,551 miles of multi-use snowmobile trails. We promote safe and responsible snowmobiling, represent snowmobilers as an organized group and promote proper recreational use of our land by working together with the Forest Service, BLM and other land managers to develop and maintain a quality trail system and winter recreation opportunities. Our mission, briefly stated, is to protect, promote and enhance the family sport of snowmobiling.

Our Mission

Our mission is to protect and enhance the sport of snowmobiling. We work closely with the Forest Service and BLM to keep areas open, resolve conflicts, and to provide the quality snowmobiling the Oregon is famous for. We work with local, state, and federal legislators to protect the rights of all snowmobilers. We fight any damaging legislation, and we support legislation that helps our sport. We coordinate with industry, national and international snowmobile groups to share knowledge, provide mutual support, and protect the sport we all love so dearly.
