Peggy Spieger,
OSSA Executive Director

Hello Snowmobilers. Merry Christmas, Happy New Year and Happy Holidays to each and every one of you. As I write this it is snowing in the mountains and expected to continue for a couple of days. Finally, after all the unusually warm weather, winter may be here to stay for a while. This is especially good news for OSSA convention hosts, the Wallowa County Gamblers. They have five days of fun planned for you with rides every day starting on Tuesday, January 14th . Their poker run is Saturday, January 19th and the banquet on Saturday evening will top off the week of fun. You can register by going to our website. www.oregonsnow.org. Come join the fun and bring a friend.

Elections for OSSA Board positions for

District Directors 2, 5 & 6 and also Director at Large District 6 will be held on Saturday, January 19th . District Directors are the liaison for the clubs in their district and will help the clubs with membership and other club activities. The Directors at Large are the grooming supervisors for the clubs in their respective districts. Election of District Directors will be held 9AM Saturday at the General Membership meeting. Election of Directors at Large will be at the Board meeting Saturday afternoon. Please contact me if you have any questions regarding this.

We ask our clubs to bring raffle prizes to the convention for the OSSA raffle and to bring an item for our Legal Fund Silent Auction. Items can be anything

useful or fun. Baskets are always appreciated as well as small items such as flashlights and T shirts for the raffle. If you are unable to attend contact your District Director and he will take these donations to the convention for you. Be sure to indicate the name of the donor so they can be recognized.

OSSA offers snowmobile certification classes to kids of all ages. Our classes are offered *free of charge* by our dedicated volunteers. A list of our safety instructors is in this paper and on our website. We are in need of more instructors, particularly in the Central Oregon area. If you are interested, please contact Safety Chair John Vogel, johnvhope@embarq-mail.com or contact me at pspieger@centurylink.net. Oregon statutes state

that all who operate a snowmobile must have a valid driver's license or a snowmobile certification certificate. International Snowmobile Safety Week is January 19-27, 2020. ISMA, the International Snowmobile Manufacturers Association represents the four snowmobile manufacturers and developed the Safe Rider program. Check it out online for more information and ideas on ways to promote snowmobile safety.

If your club has a candidate for Snowmobiler of the Year, Dealer of the Year or Winter Recreationist of the Year please send a one-page outline of their qualifications to me no later than December 30, 2019. Snowmobiler of the Year is someone who has made a significant contribution to our sport for at

least 10 years. This can also be a couple. Dealer of the Year is a dealer who promotes OSSA and its clubs as well as the sport of snowmobiling through customer contact and support of local clubs. Winter Recreationist of the Year is a person who through their profession supports snowmobile activities and works with the clubs to promote snowmobile opportunities. All entries are distributed to the OSSA Board of Directors.

Our membership year is September 1st through August 31st . If you haven't paid your dues, please pay them now. OSSA and your local clubs appreciate your support. We work to keep you on the snow.

Have fun out there and pray for snow

Our current state approved snowmobile safety trainers. Please contact your local OSSA trainer for your kids 16 or younger without a drivers license trained and obtain their snowmobile safety certificate now.

Columbia Gorge Power Sledders

Greetings Brothers and Sisters of the Oregon State Snowmobile Association. We had our first official club meeting of the new season on October 14th at Spooky's in The Dalles. We had a good turnout and some great pizza, was nice to see everyone as we are ramping up for another new snow year. It was decided that we will have our next meeting up at Billy Bob warming shelter on December 7th at 10 a.m. for breakfast and a trail tune-up day. There was much talk about the upcoming convention in Joseph and Enterprise. A lot of excited snowmobilers looking forward to attending, riding and exploring the Wallowa's, up in God's country. If you have never attended one of our conventions I would urge you to do so. This one would be a very good one to start with.

Photos are from last year's convention at Diamond Lake of our club on the trail enjoying a few rides together. Our club has a website now, **columbiagorgepowersledders.com** it is still in its infancy and we are open to any suggestions. Our web administrator is Dave Mills. We would like to thank him for all of his effort, energy, expertise and time that he has volunteered to bring this to the web for all of us. Feel free to contact us if you have any ideas to improve it as it evolves in the coming weeks and months . Take care of everyone. See you on the trail.

Mt. Hood Snowmobile Club

Everyone is getting really excited about the upcoming snowmobile season. Several of our club members have even purchased new snowmobiles.

We had our first Snowmobile Safety Class at SK Northwest on November 2nd. We had over 20 kids and adults attend. Some of the adults who

came didn't even have kids, they just wanted to learn about snowmobiling as they are new to the sport. We gave away several prizes for the kids and the adults during the class. We have another class scheduled for December 7th and 8th.

Our November meeting was very well attended. Everyone enjoyed our \$5 pizza night. Our new Grooming Chairman Chris Larsen spoke about the trail work we still need to finish before the snow comes. Several members immediately volunteered. **We signed up 6 new families that evening.**

SK Northwest and Mt Hood Polaris both brought a new snowmobile to showcase to our members. Although the new Polaris

Khaos was definitely the star of the show for the evening, a lot of our members really liked the removable snow flap on the Ski Doo Summit 850. Our future activities include our annual Pray for Snow Potluck on Dec 1st and our Wounded Warrior Ride on February 23rd.

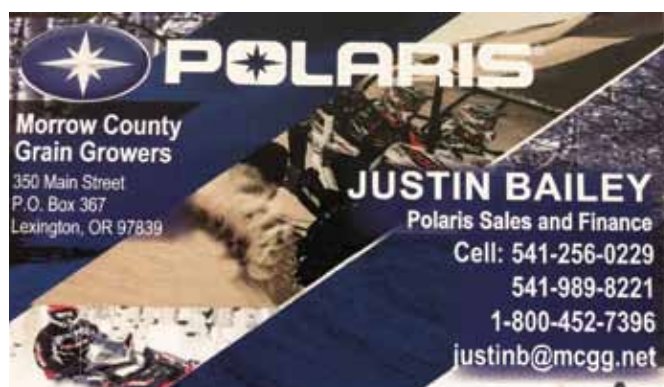

TJ Reilly, MHSC President

Walla Walla County Gamblers

As the temperatures drop and a few flakes fall out of the sky registrations are rolling in for the convention. We are asking that you please check next to the activities you would like to attend. This is not set in stone, we just need to get a head count to assist us with arrangements. Also we would also like to note that you are able to do both the Groomer Seminar and participate in the poker run. We sell hands until noon at the cabin just around the corner from the snow park, ***SO NO WORRIES THERE.***

We know that your winter season gets booked up with rides and we are pleased that you are making one of those trips here to ride with us. We also encourage you to pick up the phone if you have any questions, (208) 310-1727 We are here to help. ***See you all real soon!***

Moon Country Snowbusters

Written by Kristi DeMoisy, Treasurer

Let it snow, let it snow, let it snow. No really where is the snow? Moon Country Snowbusters is anxiously awaiting the snow to fall and we hope by the time this article comes out everyone is busy plowing their driveways, oh and Snowmobiling!

This season the club feels like it has taken off a bit slow for Moon Country. Membership is good, and growing which we love to see and appreciate, but not much attendance at our meetings or the last events. That's not stopping us though.

We set up shop at Procaliber and got to visit with some of you. We had a second trail clearing event, We even decorated the shelter and had a Halloween party. After that we participated in the Cascade snowbike film event.

Our meeting on November 19th is going to have a few special guests, OSSA's President. Red Cross to speak about our blood drive on November 25th and the Forest Service.

Our meetings are the 3rd Tuesday of every month at 6:30pm. Zpizza. We are working on making these meetings more efficient so we can be a club and socialize a bit too.

Our upcoming events are the Bend Christmas Parade and our Holiday party at Elk Lake, December 20th. This one is going to be a bright one! The Grinch-mas party is a glow party. The club will provide late night appetizers, so come a bit early and get dinner.

Grant County Snowballers

On a sad note the Grant County Snowballers would like to extend our condolences to The Dave Holmstrom family.. Dave was a large part of our club for many years.. He was a Director at Large for district 6 for the OSSA.. He was a key player in our grooming program with the Snowballers and loved snowmobiling.. He passed on October 23rd.. He will be greatly missed..

Well like a lot of Oregon, here in Grant County the Snowballers are chomping at the bit for Old Man Winter to let loose.. But we'll have to be patient.. With the dryer weather we've been able to finish up on some last minute projects before the snow flies..

We have a lot of exciting events planned for the season.. From family fun days, club rides to a cross country race..

The cross country race we are planning on having the 29th of February.. It should be a fun event with something for everyone.. Racers and spectators alike.. Open to all 18 years old and older.. If you want to race and have fun, we'll make a class for you.. So put it on your calendar..

So until next month everyone take care and let's get ready to ride!!

We had our first Club Board meeting of the season this past Saturday November 2nd and took care of Club Business. This clears the way to concentrate on playing in the snow! The rest of the meeting was devoted to upcoming events. As we mentioned in our last newsletter OSSA has provided a new Tucker Snowcat for grooming our trails. The La Pine Lodgepole Dodgers first meeting at the Moose Lodge in La Pine the end of October was pretty well attended. Gayle Katter, Vice President, conducted the meeting. The club is needing some chairpersons to head up coming events. Ben Sunderland gave an update on the Candlelighters day this coming February in Crescent Lake.

Our groomer is in its second season working out of the Paulina area and ready to hit the trails when the snow arrives. The groomers are very happy with their new Prinoth Bison groomer and one new groomer operator, Dennis Wallan, is coming on board this year. Dennis will join the grooming crew of Gary Tingey, Ivan Katter and Bob Keller.

Bernie Schoemaker talked about avalanche training classes and the importance of being knowledgeable about potential avalanche areas. The club took part in a swap meet hosted by Pro Caliber in Bend the first part of November. Several members are planning on attending the convention in Joseph in January and looking forward to that.
