Tuesday night we had a gathering at Wetland Taphouse in La Pine with over 100 guests signed up to attend. On Wednesday we had multiple level rides at Crescent Lake with again 50+ riders in attendance. Wednesday night we had a dinner event at Vic's Bar & Grill, in La Pine with over 130 guests signed up to attend. On Thursday we had multiple level rides once again at Paulina Lake with 60+ riders in attendance. In addition to the rides, we had Stephanie Cumming doing day 1 of the ladies ride clinic. Thursday night we had a dinner event at the La Pine Moose Lodge with over 140 guests signed up. On Friday we had the ladies ride clinic day 2 at Paulina Lake and also Lodgepole Dodger Vice President Adam Lochmann took Boondock Nation riders and guest riders to Mt Bachelor for a ride. This was the first trip to Oregon for the Boondock Nation riders, who are from Wisconsin. Friday night the Sno-Cat manufacturers hosted the pizza dinner with over 170 guests signed up, the pizza was provided by Ponderosa pizza in La Pine. Saturday was the OSSA general meeting, board meeting and banquet dinner, provided by La Pine Frontier Days Association. The special guest speaker for the banquet was Jack Samara of Boondock Nation. **Thank you to all club members providing photos.*

Screen shots from Boondock Nation video of OSSA/Oregon trip.

Our first time riding Oregon was one of the most unique snowmobiling trips we have ever had! We got to explore some terrain unlike anything we have seen before, as well as attend the OSSA (Oregon State Snowmobile Association) Convention. Come with us as we head to the western most stop on our Coast to Coast tour, to a state we've never ridden before!

Motorized Avalanche Course

Companion Rescue Avalanche Training

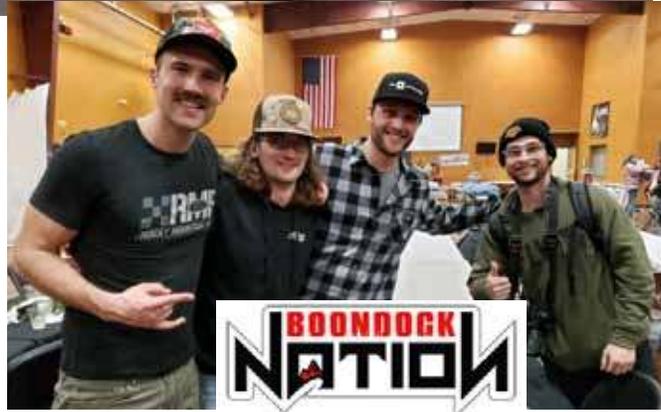

OSSA sponsored an American Avalanche Association certified 1 day motorized companion rescue course and a 2 day motorized avalanche REC 1 course.

OSSA club members and USFS personnel were in attendance. The courses were held in the Newberry Crater Monument. **Mike Duffy and Stephanie Cumming** led the training and did a fantastic job coordinating a safe and informative event. OSSA is working hard to bring training opportunities to our club members.

If your interested in this type of training, the **Wallowa Avalanche Center**, www.wallowaavalanchecenter.org is the only other motorized avalanche rescue training provider in the state of Oregon. OSSA has an avalanche page on their website that posts events and opportunities available in the state of Oregon.

Dear Chair Prozanski, Vice-Chair Thatcher, and members of the committee:

I am writing to support the Recreational Immunity Fix Amendment to SB 1576

The Oregon State Snowmobile Association and its 24 volunteer clubs represent over 1,400 families. We take care of over 6,000 miles of both improved and unimproved trails for all winter recreationalists. Without recreational immunity we would lose most of our volunteers for fear of being sued.

Public and private lands are much different than the sidewalk in front of your house.

There is an implied danger not only from the land but also from nature. Wild animals, trees and rocks falling etc. This is why it's called "nature". Being out in "nature" has a natural implied risk, and everyone who enjoys nature must also bear that risk or stay at home.

During the last 12 years I have personally spent thousands of volunteer hours helping to maintain snow trails for snowmobiles, cross country skiers, snowshoers and other winter recreationalists. Every winter I spent 1 to 2 days a week operating a snow groomer as a volunteer. Every fall I volunteer to put up informational signs in the forest and every spring I volunteer to take down these signs. During the summer I volunteer to clear the trails from fallen trees.

Without recreational immunity I would not be volunteering for fear of being sued by someone who hurt themselves on the trails that I help maintain.

Please pass SB 1576-3 with language that clearly restores recreational immunity for public and private landowners and clearly applies to both improved and unimproved trails

Respectfully,

TJ Reilly

Oregon State Snowmobile Association Vice President

2024 Trails Day at the Capitol Recap

On Monday, February 12, more than 70 trail advocates traveled to the Oregon capitol to share the love of trails with Oregon legislators!

Representative Ken Helm welcomed the group, let them know the importance of their presence, and shared how outdoor recreation access and wildlife protection are bipartisan issues that resonate with many legislators.

Next participants had the chance to learn more about the issues and about navigating the Capitol and meeting with legislators in a legislative training. Thanks to Greg Mintz from Rep. Helm's office who stuck around to answer questions and help folks practice.

We had lunch delivered as many participants dashed straight from the training to the Capitol for more than 25 scheduled meetings with legislators and staff to talk about:

- the importance of trails in our communities,
- the critical need to restore recreational immunity this legislative session with the passage of SB 1576,
- how we can work with legislators in future sessions to invest in Oregon trails.

Trails Day participants also dropped off materials about our issues at additional legislative offices and had some great impromptu conversations with those legislators and staff as well.

Our #1 priority bill, SB 1576, was also scheduled for a public hearing that afternoon, and Michelle Emmons of Oakridge Trails Alliance, Oakridge-Westfir Chamber of Commerce, and Willamette Riverkeeper; TJ Reilly of Oregon State Snowmobile Association; and Steph Noll of the Oregon Trails Coalition all delivered live testimony in support of restoring recreational immunity to Oregon's trails.

We wrapped up the day with an informal Trail Mixer in the Capitol building where we got to visit with Representative Helm, Senator Brock Smith, and Representative Boice.

Trails day participants reported having great experiences actually meeting the legislators on their ballots in person and talking with them and their staff about the trails they care about. Overall, legislators shared lots of support for trails!

We'll be back next session, and we hope you can join us then!

Thank you to our Trails Day sponsors!

Well I am sure you all feel a little jipped about the riding season so far. Leaving many with questions like, "is this it?", "are we going to get snow soon?" or "road trip?"

We got a late start here in Wallowa County, but have been lucky the snow and the riding have been decent. We were able to hold our poker run, the annual vintage cat weekend at Salt Creek Summit, a local ladies ride went off with decent snow and it looks like we are going to get some more flakes in the near future. **The W.C. Jr's Shredder Day is set for March 16th.** (continued on page 14)

(Continued from page 5)

So hoping for snow to stick around. It definitely has defined the “hardcore” riders, weeded out some and affected the numbers in the parking lot. High avalanche danger has been a constant and blue bird days have been limited.

Hopefully you are volunteering more with your clubs to get some projects done that you didn't want to do when there was fresh pow to ride. Our groomers have been able to get out each week to corduroy the snow and keep our trails smooth and hold the snow longer. We have been able to get projects done and added a couple more to the list. **WE would like to ask anyone and everyone who uses CLEAR CREEK CABIN to drop us an email, amyoutlaw@eoni.com or a phone call 208-310-1727 if you notice things are not as they should be.** We were able to get in there early in February and noticed the door wouldn't close. Not sure how long that has been that way, or how many critters are bedding down inside. With some sawwork we were able to get the door closed and latched. Also it is so important to **PACK IT IN PACK IT OUT.** The cabin is piling up with garbage and empty cans. This cabin is winter access only and it is difficult for one or two riders to carry out large amounts of trash on a sled all the way back to Joseph. So again please **PACK IT IN PACK IT OUT.**

Trail Conditions/Grooming Reports

<https://members.oregonsnow.org/grooming>

Be sure to always check avalanche conditions before you ride!

The Oregon State Snowmobile Association provides snowmobile trail grooming in the state of Oregon with a 100% volunteer effort. Our volunteers are out on the snow almost every day grooming the trails to provide a safe and enjoyable experience for snowmobilers, snow shoeing, cross country skiing and other recreationalists.

A typical volunteer grooming day begins with arriving at the grooming shelter before sunrise to get the equipment ready for the day. Not only do our volunteers groom the trails but we also remove fallen trees and obstacles from trails. In addition we provide search and rescue assistance in emergencies. It's not uncommon for our volunteers to put in a 10 or 12 hour day grooming. It takes many many hours of training to become a primary groomer. Our groomers are trained in first aid, CPR, and equipment safety and maintenance.

Be sure to show your appreciation by joining OSSA and your local snowmobile club today!

Oregon State Snowmobile Association

OSSA Membership

We encourage everyone to join their local snowmobile club which automatically includes an Oregon State Snowmobile Association membership.

You can be a member of OSSA without joining a local club. However, please consider joining the clubs where you ride in Oregon. These clubs groom and maintain the trails that you enjoy riding on.

If you live in another state or for some other reason don't want to join a local snowmobile club you are welcome to become an **OSSA only Member**.

Who Can Join?

Anyone who enjoys the outdoors can be a member including cross country skiers, snow shoers, dog sledgers, snow bikers and of course snowmobilers.

Why should I join?

Our mission is to protect and enhance the sport of snowmobiling. We work closely with the Forest Service and BLM to keep areas open, resolve conflicts, and to provide the quality snowmobiling that Oregon is famous for. We work with local, state, and federal legislators to protect the rights of all snowmobilers. We fight any damaging legislation, and we support legislation that helps our sport. We coordinate with industry, national and international snowmobile groups to share knowledge, provide mutual support, and protect the sport we all love so dearly.

SNOWMOBILERS CARE ABOUT THE ENVIRONMENT

Your Membership Matters!

It's been said that there is strength in numbers. This has never been more true than when it comes to protecting your right to enjoy the snow.

Did you know that many of our members belong to several clubs. I am personally a member of 4 different clubs. I join every club in every area that I ride just to say "Thank you" to our volunteers.

Snowmobile club memberships for an entire year cost less than a single ski lift ticket for one day!

Join you local club today. You can join just to say "Thank you", or you can join to meet new friends.

Oregon State Snowmobile Association

The Oregon State Snowmobile Association is a non-profit organization formed in 1972 by a small group of snowmobilers working to find a way to provide a groomed statewide trail system and to assure continued access to our public lands. We are currently an organization with twenty-five member clubs and a trail system of 6,410 miles of multi-use snowmobile trails. We promote safe and responsible snowmobiling, represent snowmobilers as an organized group and promote proper recreational use of our land by working together with the Forest Service, BLM and other land managers to develop and maintain a quality trail system and winter recreation opportunities. Our mission, briefly stated, is to protect, promote and enhance the family sport of snowmobiling.
